We are so grateful for the members and friends of this fellowship. Even with ministerial transitions and staffing changes, our church continues to thrive. We are awed by the inspiring Sunday services, impactful social justice activities, engaging social events, fund-raising activities, and thought-provoking small groups that demonstrate the resilience of our fellowship.

We don't need to tell you that these are difficult times in our nation and in our world. Many organizations are requesting donations to face these challenges.

Nonetheless, we ask you to consider increasing your pledge to the UUFB this year. Meaningful financial support from members and friends will enable us to increase staff salaries and meet our board goals for the 2025-2026 year. These critical goals include attracting a full-time minister, increasing visibility in the Bozeman community, and strengthening the work of our committees.

Thank you for your support of UUFB in all the ways you give!

With gratitude,

Kaylin Greene *Sandra Oldendorf*
