

**As Unitarian Universalists we covenant to affirm and promote:**

- *The inherent worth and dignity of every person;*
- *Justice, equity, and compassion in human relations;*
- *Acceptance of one another and encouragement to spiritual growth in our congregations;*
- *A free and responsible search for truth and meaning;*
- *The right of conscience and the use of the democratic process within our congregations and in society at large;*
- *The goal of world community with peace, liberty, and justice for all;*
- *Respect for the interdependent web of all existence of which we are a part.*

***Inspired by many sources, we seek truth and grow in spirit.***

***Our Living Traditions include:***

- *Direct experience of that transcending mystery and wonder, affirmed in all cultures, which moves us to a renewal of the spirit and an openness to the forces which create and uphold life;*
- *Words and deeds of prophetic women and men which challenge us to confront powers and structures of evil with justice, compassion, and the transforming power of love;*
- *Wisdom from the world's religions which inspires us in our ethical and spiritual life;*
- *Jewish and Christian teachings which call us to respond to God's love by loving our neighbors as ourselves;*
- *Humanist teachings, which counsel us to heed the guidance of reason and the results of science, and warn us against idolatries of the mind and spirit.*
- *Spiritual teachings of earth-centered traditions, which celebrate the sacred circle of life and instruct us to live in harmony with the rhythms of nature.*
